### Introduction to Art (Through Senses and Imitation)

Fine Arts Teacher: Rachel Thompson

Grade Range: K

Tuition: \$155

Materials Fee \$25

The art forms introduced in this class are designed not only to introduce your child to different mediums, but to teach their brains to work outside the box, enter into the unknown, think differently, and grow in confidence. Keeping in mind Kindergartener's strong drive to learn through sensory play and imitation, they'll be exploring art in a very hands-on way. They'll experience working with natural materials, recyclables, chalk, cloth, yarn, and paints. They'll exercise their abilities to draw, color, cut and paste, weave, and paint.

### Introduction to Art through the Senses

## ***Dance Department***

### Basic Ballet

Fine Arts Teacher: Gabrielle Drivon

Grade Range: K-2nd Grade

Tuition: \$155

Costume: Parent is responsible to buy costume

Basic ballet fundamentals will be introduced and mastered by the end of the year. Basic ballet positions of the arms and feet will be taught, along with basic ballet movements. The children will do a series of exercises to introduce different steps and basic ballet techniques. After this we will do a series of stretching on the floor then across the floor movement. Creative Movement will be woven into the class where the children can experience their own movement and explore how different music makes them feel/move etc. If there is time at the end of class, we may read a ballet story, introduce very basic dance history or watch 5 minutes of a ballet and learn about that

particular performance. The class is geared toward creating a love and appreciation for dance and having fun exploring the beautiful art form. Students are encouraged to show or tell their favorite moves they like to do in their spare time at the end of class.

Students will need ballet shoes (girls pink, boys black). Girls can wear tights and a leotard under their clothes, but regular clothes are okay. Girls must also have their hair pulled back from the face in preferably a bun, however a ponytail is alright. Boys - regular street clothes are fine but nothing too baggy. Just no jeans, no heavy jewelry please.

### Ballet- Elementary

Fine Arts Teacher: Gabrielle Drivon

Grade Range: 3rd-5th Grade

Tuition: \$155

Costume: Parent is responsible to buy costume

Basic ballet fundamentals will be introduced and will build off of Basic Ballet from previous years. Basic ballet combinations of steps will be taught. The children will do a series of exercises at the barre to introduce different steps and continue to focus on proper ballet technique. After barre we will do a series of stretching on the floor then across the floor movement. The children will learn two ballet dances per year using music from real ballets. Dancers will start to develop musicality and strength and learn about ballet and its history.

### Modern Dance - Elementary

Fine Arts Teacher: Gabrielle Drivon

Grade Range: 3rd - 5th Grade

Tuition: \$155

Costume: Parent is responsible to buy costume

Modern dance is a free and expressive style of dance that evolved as a rebellion against classical ballet. Founder, Isadora Duncan, believed that ballet technique distorted the natural movement of the body, and that it made dancers move like puppets. She wanted to ditch the tights, tutus, and ballet or pointe shoes, and allow dancers to dance barefoot without any rules or restrictions. Rather than dancing on releve (raised up high on the balls of the feet), she wanted dancers to explore being grounded, and dancing into the floor. Because of this she decided to break the norm by creating a new and free style of moving that was different from ballet. It was more abstract. In modern, dancers express themselves by telling stories through their movements; displaying different emotions and feelings through their dancing. This evolution also influenced other styles of dance as well. In this class, students will learn the fundamentals of modern dance technique, while exploring new concepts such as breath, weight, fall and recovery, contractions, release, fluidity, space, emotional expressiveness, and suspension. If your child is looking to try something different from other traditional dance styles this is a great opportunity for them to explore new ways to move

### Brazilian Jiu Jitsu

Fine Arts Teacher: Jesse & Justyne Cruz

Grade Range: 1st - 12th Grade

Tuition: \$155

Materials Fee: Parents will be responsible to purchase a ghee for the class (approx \$30)

Brazilian Jiu Jitsu is a grappling martial art that derives from Japanese Judo and Jiu Jitsu. In the early 1900's, the Gracie family of Brazil adapted the art to be more applicable in street self defense situations. Jiu-Jitsu has gone on to develop into the world's premiere self defense martial art, proving its effectiveness in mixed martial arts competition, such as the UFC. Jiu Jitsu as a martial art has amazing power and potential to build character, provide genuine self confidence, instill humility, and develop physical fitness. As important as these benefits may be for adult practitioners, they are far more important to the children of our community. We are committed to providing the environment and guidance

for the children to thrive in all of these areas, while learning practical and effective self defense.

Our focus in the kids class is to build a rock solid foundation of Jiu Jitsu fundamentals, develop athleticism, and instill a love and appreciation for the art that will stay with them forever. Guided by our core values of Honor, Courage, and Commitment, we look to instill our students with the focus, discipline, and confidence they need to reach their full potential, and to be the leaders we need for the future.

A typical class will consist of warm ups, strength building exercises, and stretching. After warm ups the students will receive instruction on Jiu-Jitsu techniques, which they will practice and drill under supervision. Eventually students will be able to participate in live rolling (sparring), which is essential for learning how to practically apply the techniques they've learned against a resisting training partner, giving them the tools and confidence they need to learn true self defense.

## ***Theater Department***

### Junior Theater

Fine Arts Teachers: Wendy Davis

Grade Range: 3rd-5th Grade

In this hands-on culinary class, students will sharpen their kitchen skills and expand their culinary creativity. Young chefs will learn to safely handle a variety of kitchen tools, read and follow recipes, measure ingredients accurately, and prepare a wide range of dishes – from savory snacks to sweet treats. Along the way, they'll explore nutrition, food safety, and basic cooking techniques like

sauteing, baking, and assembling meals. With a focus on teamwork, confidence, and kitchen independence, students will leave each class with new skills and something tasty to share!

**\*Max 8 kids in class**

### Culinary Arts, Middle/High School

Enrichment Teacher: Luz Quintero

Grade Range: 6th - 12th Grade

Materials Fee: \$50

Using “Cooking with Curiosity” by The Edible Schoolyard as a foundation to the lessons, each lesson will include a short engaging lecture followed by a hands-on approach to culinary lessons. The students will have lessons on kitchen safety, kitchen tools, mincing, flavors and spices, studying and performing recipes, garnishing, and so much more! In the first unit we will focus mostly on no bake recipes, and work our way towards utilizing the oven safely. Lessons will incorporate a love and appreciation for cooking. Students will learn that we can use the hands given by God to create nourishing meals.

### Intro to Photography/Yearbook Design

Enrichment Teacher: Jeanna Makdesi

Grade Range: 6th - 12th grade

Tuition: \$155

Materials Fee for Photography: \$25

Intro to Photography: Students will learn to enhance their photography skills through a blend of lectures, demonstrations, and hands-on exercises using iPads/iPhones or digital cameras. The class will explore key concepts such as composition, lighting, perspective, and basic editing techniques. Throughout the course, each student will build a personal photography portfolio that highlights his/her best work. No prior experience is necessary - just a passion for creativity and visual storytelling.

\* Required materials: iPad/iPhone with camera capability, basic editing apps (e.g., Canva or Lightroom Mobile), and storage or digital camera and laptop with basic editing software and storage; Access to computer to upload and send image files such as Google Drive.

Yearbook Design: This select group within the photography class is for creative students who manage time effectively, are able to meet deadlines, and have shown interest in helping to design the yearbook. Students will collaborate on selecting photos, designing layouts, developing captions and headlines, and capturing the spirit of our KFA community through storytelling and visuals. Students will use simple design tools and editing apps to create a professional, memory-filled final product. This group will be limited to six students and is based upon teacher recommendation.
